

MASN

The Missouri AfterSchool Network builds systems across the state that improve, support, and sustain high quality afterschool programs. Our vision is that “All school-age children and youth in Missouri have access to high quality, sustainable afterschool programs.” Please join us at the next quarterly Afterschool Committee Meeting to help make this a reality. At each meeting, afterschool stakeholders from around the state discuss afterschool issues related to:

- Professional Development
- Public Policy
- Funding & Sustainability
- STEM
- Quality

Save the Date

Please plan to join us next year at the 2020 Celebration of Afterschool Recognition Banquet to be held Friday, November 20.
